Rigour and nature, balance and innovation: so it is that ceramic gives stone an interpretative layer in perfect stylistic and material harmony

Creative minds of Vicente team can convert combination of Alexander the Great and Vicente to impressive **MIRO** design.

DION COLECTION

100x100 CM | Floor Tile

| Dion is like a thin layer of
ice upon a deep ocean
of chaos and darkness

DION is remain the most astonishing activity of **VICENTE** born out of struggle between Dionysus and Vicente designs, between dream and reality in our mind.

DION DESIGN

Each new collection of vicente is a unique path. A voyage without the confines of borders or time leads to the selection of the material, strictly rare, precious and natural, the inspiring muse of every creation.

And then the vicente design is born, This is the genesis of vicente which finds the first element of uniqueness in its very name.
